

NEWSLETTER JULY 2025

MEDVIEW A HORIZON EUROPE-FUNDED INITIATIVE

is dedicated to making health and well-being innovation more inclusive, impactful, and truly aligned with what matters most to people.

Our core mission is to bridge the gap between scientific research & society by empowering citizens, patients, healthcare professionals, researchers, and policymakers to co-create better solutions for health & well-being.

THE PROJECT OBJECTIVES ARE

1. To establish the pan-European Interdisciplinary **MEDViEW Community**
2. To found the **Community of Practice for Knowledge Valorisation** in wellbeing
3. To deliver the **MEDViEW Implementation Guide** for Knowledge Valorisation in wellbeing
4. To foster an intelligent **Digital Space** for communication, dissemination & engagement

PROJECT KICK-OFF

THE MEDViEW EU PROJECT

officially kicked off on May 19th, hosted by #Mitera in Athens! The work package leaders presented their areas, outlining initial phases and contributions, and highlighting main milestones vital for the project's progress.

EUROCAM, THE RESPONSIBLE PARTNER FOR THE MEDViEW

community building, participated in the Homeopathy Research Institute's 6th International Research Conference

RESEARCH INSTITUTE'S 6TH INTERNATIONAL RESEARCH CONFERENCE

from June 20-22, representing the MEDViEW EU Project in the beautiful city of Thessaloniki, Greece, represented by Natalia Tzima from EUROCAM carrying our message forward.

Stay Connected for our upcoming website launch!

EUROCAM PARTICIPATED IN THE SIO CONFERENCE

where Dr. Channing Paller delivered the opening address, and Elisa Baldini discussed our exciting new project.

Stay Connected for our upcoming website launch!

**Funded by
the European Union**

This project has received funding from the European Union's Horizon Europe Research and Innovation Programme under the call HORIZON-WIDERA-2024-ERA-02-and the Grant Agreement No 101217136.
